

20<sup>th</sup> - April - 2017

Dear sponsor,

I would like to introduce my self. My name is Nansukusa Deborah. I finished my primary seven.

My favourite subjects in school are fine art and Christian Religious Education. My best teachers are Mwekumubi James, Mr. Kulumba. I am a net baller and a foot baller.

I would like to go to secondary school because I would like to become an artist when I grow up. I want to become an artist because I know to draw.

I know that I will do well and will make proud. Will you please consider sponsoring my education.

Sincerely  
Deborah
